RE: Workers Compensation Appeals to the Circuit Court

Dear Ginger:

Please be advised that the Circuit Court Advisory Committee met on November 20th and discussed your request regarding the procedure for workers compensation appeals to the Circuit Court.

After review of your memorandum, the committee determined that the attorneys involved in a workers compensation action shall agree to which documents should be sent to the Circuit Court for an appeal, much like attorneys do with documents filed in Circuit Court appeals to the Court of Appeals. The committee also noted that all documents sent to the Circuit Court from the Workers Compensation Commission should be certified copies.

Should you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Adriane Livingston Radeker
Court Representative, Circuit and Probate Courts
